Leeds South and West Circuit Wednesday Prayers

light Circuit candle

The world belongs to the Lord
the earth and all its people
How good and lovely it is
to live together in unity
Love and faith come together
Justice and peace join hands
If the Lord's disciples keep silent
these stones would shout aloud

O Lord open our lips
and we shall praise your name

Bless the Lord, O my soul
O Lord my God, you are very great
In the beginning, you spoke
And there was
You created all things
And said 'it is very good'
Bless the Lord, O my soul
Praise the Lord

Summer and winter, springtime and harvest
Loving God, you are with us

In bright sunshine and in driving rain
Loving God, you are with us

In certainty and in doubt
Loving God, you are with us

In stability and in change
Loving God, you are with us

In joy and in sad times
Loving God, you are with us

When we soar on wings like eagles, and when we are weighed down with grief
Loving God, you are with us

Today, tomorrow and every day
Loving God, you are with us

Even when we forget that you love us
Even when we forget to love others
Even when we forget to love your world
Even when we forget to love ourselves
Loving God, you are still with us

Prayer for the Circuit

The Lord's Prayer

Remember, you are beautiful in the sight of God;
the mark of Christ is upon you:
so walk free,
and open your heart to life and to others,
and may the Spirit go with you into each new day.
